Establishment - Temporary - South Kanara - L.R.collection work - Special staff - 1936 - Entertainment - Proposals submitted.

The Board is aware of the special difficulties in the matter of land revenue collection in South Kanara. The following temporary staff was entertained in this district in 1935 in connection with the collection of land revenue.

i. One process Amin in each of the Taluk Offices of Mangalore, Puttur, Udipi, Coondapur and Karkal for a period of six months from 10th March 1935.
ii. Two process Amins in Kasaragod Taluk, one throughout the year, one of whom still continues in service. He has been ordered to continue till the end of this month.
iii. Two attenders in Kasaragod Taluk, for a period of five months from 10th February 1935, and
iv. One Special Revenue Inspector with a peon attached to him for a period of five months in all from 15th May 1935 working in the Hosdrug Sub-Taluk.

2. It is feared that the collection work will be more difficult this year than in 1935. and that a larger number of coercive processes will have to be issued. There is no announcement about general land revenue remissions yet and the increment remission on the resettlement increases will of course be reduced this year ~~to~~ in the normal routine of imposing the full rates after the third year. The amount scriptory work involved in the preparation of these processes is such that the Taluk Jamabandi clerks will not be able to cope with it without assistance, as is evident from the experience of 1935. I do not propose to entertain process amins this year for the service of processes, because(i) the village establishment ought to be

be adequate for the service of processes (2) what is required is the assistance to the Taluk staff in scriptory work. The services of process amins can be used only occasionally for scriptory work in the taluk offices during their stay at head quarters. As the cost of the special staff of process amins has to be met from the process fees which is leviable only in cases where the processes are served by the Amins, they cannot be detained too long in the taluk offices for scriptory work.

3. I therefore recommend that the entertainment of the following temporary staff may be sanctioned for the current year.

(i) One attender for a period of 4 months from 10th February 1936 or from the date of entertainment on Rs.19-30 per mensem to write processes connected with the recovery of land revenue arrears, in each of the Taluk Offices of Mangalore, Puttur, Udipi, Coondapur and Karkal.

(ii) Two attenders for a period of six months from 10th February 1936 or from the date of entertainment on Rs.19-30 per mensem to write processes connected with the recovery of land revenue arrears in Kasaragod Taluk.

(iii) One Special Revenue Inspector for the Hosdrug Sub Taluk for the collection of arrears of land revenue for six months from 20th April 1936 and

(iv) a peon to work under the Revenue Inspector for the same period. The Revenue Inspector and the peon may also be allowed the fixed T.A. admissible under the rules.
